- **THE PUBLIC SQUARE:** This room is located right off the Tavern area, separated by French Sliding Glass doors. It has two gas fireplaces, and beautifully carpeted floor that is bordered with circa 1836 flooring that we've had re-milled.
- **THE MAIN:** Our main dining room has dark blue carpet and is lighted with beautiful aged chandeliers that were original to this building when Wilmington Trust owned it. Our restaurant is a flexible space and can be dressed up or down depending on your needs.
- **THE GARRETT:** This private space is located in the restaurant, accented with pocket doors. It is perfect for those lunch and dinner meetings that require privacy.
- **THE UNION:** Located in the rear of the restaurant, this room is equipped with state-of-the art technology. Why is this called The Union? Simply stated, back in Civil War days, the Union soldiers spent lots of time in this building!
- **ROOFTOP GARDEN TERRACE:** This is a great outdoor space, complete with a pergola, and is the perfect setting for just about any event! Tenting of various areas is an option (additional charge).
- **CIRCLE SIDE GARDEN:** We're in the process of transforming this space, but for right now, it is a simple space that can be tented for any type of outdoor celebration!
